Everyone fishing the tournament must have a life vest and other safety equipment as specified by the Coast Guard. **Life vests must be worn and the kill switch attached to the driver when the internal combustion engine is running.**

Tackle: Only artificial lures may be used. No prepared or live bait, other than pork type strips or rinds, is permitted. Only rods and reels are permitted. Only one rod may be in use and in the water at any one time, however, any number of rigged rods may be in the boat for substitute purposes. Electrical and mechanical devices such as depth meter, color-e-lector, thermometers and oxygen meters may be used. Landing nets are permitted. A live well or suitable substitute is required.

Permitted Fishing Waters: This tournament will be a No Touch rule. All fishing must be done from a boat. All contestants must leave and return to the starting point within tournament hours. Water boundaries include all SLACK WATERS of Brownlee Reservoir from the RAILROAD TRESTLE Bridge upstream from Spring Camp to Brownlee Dam except for the buoys at the power inlet. Fishing Hours: Will be confirmed at the Pre-Tournament Meeting on March 27, 2009.

Checking in: All boats must check in at the official checkpoint, also to be announced at the Pre-Tournament Meeting.

Penalties: Contestants who have not checked in at the official check point on time will be penalized one (1) pound of weight for every one (1) minute of tardiness.
