- A qualifying purchaser receives:
 - The new Ranger Owner can receive up to \$750 towards entry fees.
 - Ranger will send out vouchers to the eligible owners in increments of \$250 (if customer receives \$750, then Ranger will send (3) \$250 vouchers).
- How Program Works:
 - A voucher can only be redeemed on one trail and holds no cash value to the angler.
 - For example if a tournament trail's entry fee for the year is \$200, and an angler wants to use a voucher then \$50 will not be able to be applied to another trail.
 - If the entry fee exceeds \$250, then an angler can use as many vouchers as needed to cover the expense or pay for remaining fees in a different form.
