THE IDAHO BASS FEDERATION
MEMORANDUM OF UNDERSTANDING

By signing this agreement I acknowledge that I have been informed regarding the procedures to implement The Idaho Bass Federation Junior State Championship and The Bass Federation, National Guard Junior World Championship.

The Idaho Bass Federation will conduct a Junior State Championship on Brownlee Reservoir on June 19th and 20th, 2010. This competition will be for age groups , 11 to 14 and 15 to 18 years of age. A winner will be determined from each of the age groups and that winner will be invited to compete in The Bass Federation/National Guard Junior World Championship in Atlanta, Georgia preceding the FLW Outdoors Championship about the end of July, 2010. This tournament will have the same two age groups competing and top finishers in each group will receive scholarship accounts.

All competitors can expect to receive some gifts and prizes from various TBF and FLW sponsors as well as the National Guard but, this is not guaranteed.

On completion of The Idaho Bass Federation Junior State Championship the parent or guardian will purchase airline tickets for the winning youth and one accompanying adult and submit the bill to The Idaho Bass Federation. These tickets will be coach class and the most reasonable fare available that will allow the competitor to arrive at the time needed for their event. Upon arrival in Atlanta TBF will provide housing and some meals for the competitor and the adult. Do not assume that all meals will be provided. If other family members desire to attend the event they will travel at their own expense. TBF will arrange housing for the one adult and the youth. The difference in housing cost for additional party members will be at their own expense. TBF and FLW are family organizations and no alcoholic beverages are allowed at any official event.

The youth will compete on a bass boat provided by FLW and driven by a tour pro.
